Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative, Nathan Weber calls to the attention of the examiner that claim 1 discloses changing "data size" of the data transmitted by the server, and that such a change of size of the data can't be found in the relied upon in the reference, namely, col. 7, lines 45-65, and col. 8, lines 12-50. Attorney Nathan Weber requests that final rejection be withdrawn upon this ground. The Examiner, is not in position at this point to admit any mischaracterization of the prior art because more time is required to review the case upon merit.
